## Hill Family JAPAN

### Radio

In July, Rebel and I had the opportunity to be interviewed by a local public radio station in Japanese. I was able to give a short testimony and choose a song to be played after our interview. We chose a song written by our Japanese friend that shared the Gospel. We were so excited for the opportunity! Unfortunately, after they had reviewed the song they wouldn't allow it because it was "Advertising Christianity" ....well, they weren't wrong. However, they did let us play Amazing Grace! The broadcast will be going out across our city throughout the month of August. Please pray that souls would be touched by the radio broadcast!

### Church Building

Thank you for praying for a new building for Agape Bible Baptist Church. We have been searching throughout Nagaoka for a bigger building. We had found a really great option (pictured), but ultimately, there were zoning issues that would keep us from using it for a church building. So the search continues.

This past Sunday the Church was packed and we are hurting for more space! Please continue to pray that we can find the right building, in a good location and at a good price!

### Sunday School

Thank you for praying for Rebel and I as we've been teaching kindergarten and elementary aged children at church. I'm still nervous as we read through the lesson, but it has been going well. Praise God! Please pray for the kids that come, as most of them have never accepted Christ!

### Driver's License

We have been driving on an international license since our arrival. Unfortunately, it was going to expire soon. Getting a license in Japan is incredibly difficult in any large city like ours and most people say that no foreigners pass on their first try. Thanks to our gracious God, some great advice from our missionary friends (Mike Burgett and Russ Stanford), a kind instructor and our driving teacher (pictured) we got our Japanese drivers license on our first try! Thanks for the prayers everyone!
