## MISSIONARIES TO JAPAN

May 2011

Dear Friends,

*If you haven't heard yet Rebelle and I have started deputation! We long to take the gospel to the Japanese people! There is such a need there for churches. Only 1% of the population profess to be saved. That statistic becomes more real when you think about the 30,000 that died in the tsunami and that 99% of them went to hell! I'm thankful the Lord wants to use us to see Japan reached with the Gospel!*

*It has been exciting to see things come together in the last month. We now have our website up and running. You can see it at [www.risingsonmission.com](http://www.risingsonmission.com). You can also sign up for our blog there or follow us on twitter at WillHill1. If you have any questions you can call me on my cell 770-375-9672.*

*We are burdened that so few Japanese know about Christ! Each year thousands of these people die without ever once hearing the gospel. The Lord died for each one, and it is unacceptable that any person should die without hearing the message of salvation! God has commanded us to go and preach the gospel, and my wife and I have surrendered to this calling. We ask that you would consider partnering with us as we take the message of the Risen Son to the "Land of the Rising Sun!"*

*Taking the Message,  
Will & Rebelle Hill*
