

Preaching in Japanese

Hill Family JAPAN

At the end of September, I got to preach for the first time in Japanese in children's church.

I'm thankful to have veteran missionaries there to help. Especially since I forgot a word part way through the lesson and they were able to remind me of it!

I was preaching out of Acts 28 where Paul was preaching and some believed and some did not. I was able to end the message with the Gospel and ask them which group they were in: Believing or unbelieving. It was such a privilege to be able to preach a simple Gospel message! Thank you for praying for me, as I could tell the Lord was helping me every step of the way.

Visitors to Church

Thank you for praying that our fellow language school student would come to church! We are so thrilled to tell you that she and her husband came! We were thankful to hear that she is already a born again believer (her words Amen!), but her husband has yet to accept Christ as his savior. The Sunday they came Bro. Mike preached the Gospel and he was able to hear it! Please continue to pray for them to come back to our church and that he would be saved!

We've had several visitors these past few weeks, and we are still hurting for more space to place people. Because of the lack of space, I am able to teach the elementary aged children a simple Bible lesson in another room, as I have mentioned before. This is a great opportunity, but unfortunately it is a temporary fix. We desperately need a new building to house the people that are coming. We are especially in need of a new building as Christmas is upon us, which is when we receive the most visitors. We are looking for a good building that we can purchase.

Preaching at Another Church

I ask that you would pray for me as I will be preaching at another church about 3 hours south of us. I will be using a translator for this message since I'm still new at preaching in Japanese. I'm thankful for the help of Bro. Mike and Bro. Russ with the opportunities to preach here in Japan. Pray for God's blessings on this meeting, and that I will be a help to this dear church!

A quick thank you!

It constantly blows my mind by all the people that are praying for us and that often write us. It is such an encouragement to know that we have friends such as you that read our letters and pray for us. Thank you for your support, for every letter and prayer you have offered on our behalf.
