

THE HILL FAMILY

MISSIONARIES TO JAPAN

June & July 2012

Our summer has kept us busy, and it has been exciting to see new places and make many new friends. After finishing May with the Our Generation Leadership Camp, we were able to share with the churches we went to how God moved in the lives of young men and women. **We had several churches say they would be taking us on by the end of the year!** We are amazed how the Lord is bringing in our support! We cannot wait to be in Japan, proclaiming the Gospel!

June

Our meetings during the month of June kept us in Georgia for the majority of the month. Only two meetings took us out of state. The first meeting took us to Tennessee and the second took us all the way to Pennsylvania! This was the first time deputation has taken us to Pennsylvania, and the sights along the road through Virginia, West Virginia and Pennsylvania were breathtaking. The fellowship with the church families of both Baptist Temple and Fellowship Baptist Churches was a true blessing.

July

We stayed on the road through July. We left our home in Georgia to go to Milan, Tennessee for a missions conference at Immanuel Missionary Baptist. From there, we drove to Rochester, New York, dropping in to see Rebelle's parents in Ohio along the way. While in Rochester, we went to David Poston's wedding, who is a dear Pastor friend of mine, and the next day had meetings in churches just a few hours from Rochester in Pennsylvania. Then we began the long journey home on Monday.

VBS

The last week of July we were able to help in our home church's VBS. There were over 200 children in attendance and **38 of them prayed to accept Christ! Rebel and I had the opportunity to lead two of these precious ones to the Lord!** We praise the Lord for what He has done these past months, and we greatly anticipate what He has in store in the months to follow!

Praise & Prayer Request

Thank you to everyone who has been praying for our friend, Austin Garner. We **rejoice to report that the surgery to remove the cancerous tumor and kidney was a success!** The doctors gave a good report that **none of the cancer had spread** into the surrounding tissue! We praise the Lord for what He has done! We ask that you would continue to pray for him as he recovers from the surgery.

**Taking the Message,
Will and Rebelle Hill**
