## Nagaoka English Corner

**The Lord used the English Corner to bring in Fifteen people! Twelve of those were brand new contacts. Five out of the fifteen came to the Church service, and four of those had never heard the Gospel before!**

We started the Nagaoka English Corner outreach this month, and we were thrilled that God used it to get the Gospel to four people for the first time. All in all we had five lost people from the classes attend Church, one of which has come to our Church before but has yet to accept Christ.

The classes have stretched our language ability as we have had to translate back and forth between English and Japanese. I have been stumped by their questions on more than one occasion, but Bro. Mike and a young man from church (Bro. Yoneyama) have been a big help with that. Several people have been helping us prepare for the classes, and we are so thankful for how God has put this together.

We ask for your continual prayers for the English Corner, that many more would hear the Gospel and that we might see them accept Christ!

## Niigata English Corner

**We will start the Niigata English Corner in February.** Please pray that we would have a good turn out and that everything would go well with the arrangements. Pray for our safety as we travel back and forth each Friday as it takes one hour each way.

## Land Blessing Service

I mentioned last month in our prayer request updates that I would be leading a land blessing service for our friends' new home in Niigata. This was also a big stretch for our Japanese as I lead the singing without any instruments, and in case you didn't know, even in English I'm not that great of a singer! However the Lord blessed, and everything went well. I was able to connect in conversation with those that attended.

**I'm most thankful that I was able to preach the Gospel to six lost people!** Rebel, our friend, and I were the only saved people there. Please pray for those that heard the Gospel, and especially for our friend's husband that has yet to accept Christ as his Savior.
