

# Thank you for helping the Church & Orion Judah Hill is Here!

## Thank you for giving! God provided all!

Thank you, thank you for giving to help our church plant get started! We are constantly amazed by the generous giving of God's people and God's ability to provide every needed penny (or yen!) for His work!

**We have all the needed funds** for the renovations, signs, advertisement, Bibles, Hymns, chairs, church equipment, and all the other materials needed for starting this church.

Last month we were able to print and send out 10,000 fliers for the church. This month we have already printed 10,000 more fliers for the church and will soon get those out as well! Please pray God will use these to bring people in!

The renovations should be finished by November 18th, and **our GRAND OPENING service will be on December 2nd!** Please pray God will bless and people will come!

## Thursday nights

Our Thursday night services and English Corner are going well! We had 2 new visitors that have turned into every week attendees. We average around 10 people every week. Please pray they will soon accept Christ!

## Meet Orion Judah Hill!

## Hill Family JAPAN

We are so excited to introduce you to our son! He was born on October 28th at 7:32PM. He weighed in at a whopping 9 lbs and 21 in long! He is the biggest baby these nurses have ever seen at our hospital in Japan! Both Baby and Rebel are great, and Atlas and Journey love their new baby brother! Journey keeps saying "He's sooo cute! and He's 'dorable!'" Thank you for praying for Rebel and the delivery of the baby!

Orion's name in Japanese sounds like "king lion." We pray that Orion will serve the King of kings, the Lion of Judah and will make known His name, Jesus!
