

## Family and Parenting Series

**A survey was conducted in Japan that showed, on an average weekday, Japanese Fathers spend about 5 minutes with their children.**

The need is great for Christian fathers to teach their children about Jesus! Through September, October and part of November, we went through a message series on the family and parenting. We had several people who have children attend. We pray that God would use what they heard in their lives, to raise their children for Him. All of the parents that attend have lost kids, please pray they will accept Christ!

## Praises

Thank you so much for your prayers! Covid cases in all of Japan are down considerably! The country is opening back up again, little by little. We just heard news that Japan is finally accepting new visa applications again, which means that missionaries will soon be able to come into the country. Please pray these missionaries would be able to come quickly. We know God can do big things, and we are excited to see it!

And with COVID slowing down, and people getting back to their normal routines, we have had several people return to services in the last several weeks. It has been wonderful to see them again!

## New Bible Study

In October, we teamed up with the Burgett's (missionaries friends who are about an hour south of us) to begin a new Bible study. We work together to teach the class and it is going well. This is a study that covers creation to Christ. It is a great study for Japanese people who have no foundation of who God truly is. It will introduce them to the one true God, and go all the way to Jesus's death, burial and resurrection.

Even though things are opening up, we decided to offer this on zoom as well. We have been so thankful for good participation both in person and via zoom. Please be in prayer as we have lost people attending.

## Several New Visitors

We have had several new visitors attend services over the last couple months. One Christian lady moved to Niigata recently, just around the corner from the church. Another Christian lady lives about an hour drive away from the church, but even with the long drive, she has been attending services with us. Pray for her as she has a major surgery coming and her children aren't saved.

Two others have come that aren't saved. Mai has shown an interest in salvation, and learning more of the Bible. Please pray for her salvation, and for Rebel as they meet for Bible study.

Shogo is a college student that is practicing English with me. Through our time together I have been able to share the gospel and he has opened up to learning more. He has come to church a few times as well.

## Christmas plans

We cannot believe that Christmas is right around the corner! This year, we are looking forward to having a Christmas Eve dinner at church. We would like to ask you to pray with us during this special season, that we would have many opportunities to share the true meaning of Christmas and that people would be saved!
