

Summer Activities

Summer in Japan is a time of festivals, fireworks and of course BBQ's! We praise the Lord for the people God brought in for our BBQ event at the church!

Many of our church people really stepped up and did much of the preparation for the BBQ and invited their friends. We had several first time visitors come and hear the gospel! And some of those visitors have returned for a few services. One of those is a Catholic lady that we are praying will accept Christ as her Savior.

Thank you for praying for Mai. She did not move, and Rebel has been able to talk with her more and more about her salvation. Please pray she will accept Christ!

Rebel and Ocean were able to attend a missionary ladies' fellowship here in Japan. She greatly enjoyed the time of encouragement and spiritual growth!

Support Address Change

In case you missed our last letter, **as of July 14th Vision Baptist Missions is no longer handling our support for us. Our home church of Lighthouse Baptist Church is handling all of our support.** We still haven't heard from many of our supporters about making the change to send support to LBC. If you have any questions in regards to our new support address please contact us through email at will2japan@gmail.com or by calling us on our internet phone at 770-776-6987. You can also call the LBC church office at 706-265-9868.

We also need information from each of our supporters. Our home church plans to send donation receipts at the end of each year and we need to know what email to send those to. If you have not yet contacted me, could you please send me the email address that you would prefer for us to use?

Please send all future support to [329 Harmony Church rd. Dawsonville, GA 30534](#). Please make checks out to "Lighthouse Baptist Church" and in the memo line please write "For Will Hill Japan." You can also give through our church's online giving option at www.lighthouse-baptist.com/go/give. In the memo section please write "For Will Hill Japan."

Pray for Tiago, Hikari and Hayashi

Tiago and Naoko had their 2nd child and things have gotten really hard for him. Satan has been working hard to keep him out of church and has been constantly fighting him. Please pray.

Hikari's daughter just had another surgery and she gets very discouraged over it. Please pray for her and for us to be an encouragement to her. Hayashi, one of the first people to accept Christ at our church just moved to a city about four hours away. I'm trying to get him connected with a missionary in his new city. Pray that will go well.

Kids Birthdays

Thank you for all the birthday cards for the kids and myself! They are greatly appreciated. On the last Sunday of July we plan on having a birthday party for Atlas and Journey at the church after the morning service. The kids and I are praying that their friends will come to church, hear the Gospel and be saved. Several of their friends said they would come so please pray with us about that.

A seventh wave of Covid is hindering things here in our city. And we just had another record-breaking day of new cases in our city. Please pray it won't interfere with the events at the church and that God will continue to bring visitors and they will be saved. Please continue to pray for our regulars. Satan seems to be attacking them like crazy lately. Thank you, thank you, thank you for your prayers!!!
