

## Summer Church Events

On Father's Day, we, as a church family (and some visitors), went to Echigo Hillside Park. It was a such a blessing to see families come to church together Sunday morning, and then enjoy lunch and time together at the park. **There were several unbelievers that heard me preach from the Bible** as well.

We also had a friends event at church where we invited people from the community to meet people, enjoy conversation and make friends. We had a great turnout and **some from the event have come to a church service since then.**

Starting in summer, we began a new gospel tract campaign in which we challenged the whole church to get involved. **Many of the church folks helped prepare the packets and then went through their neighborhoods getting the gospel out to hundreds!**

## New Intern

Cynthia Fuhrman has arrived in Japan with a burden to see Japanese people saved and to help our church. She has already begun to build friendships with her neighbors and continues to work on her Japanese. We are excited to see what God will do through her during her time in Japan.

## Furlough

**We have arrived in America for furlough and our calendar is already filling up. If you want us to come and update your church on the work in Japan, please email me at [will2japan@gmail.com](mailto:will2japan@gmail.com) or call me at 770-776-6987 before our calendar fills up.** While here in the States we plan to raise some of the support we have lost over the years as well as some additional support to assist the growth of the church. We also are raising funds for some property and a building for the church in Niigata. Please pray with us as we raise these funds!

Sho and Krista have done a great job with running the day to day things of the church, and the Burgetts have been preaching preaching the Japanese services.

For the International Service, I have been recording videos of preaching, and Sho and Krista have been showing those videos during the service and running the rest of the service. We are so thankful for what the Lord has been doing through them!

## Birthdays

Thank you for all the birthday wishes! The kids loved all the birthday cards you sent! Thank you! We celebrated Atlas's 10th, Journey's 9th, and Will's 38th birthday in June and July. We are so thankful for God's goodness in our lives each and every day, and pray for our children to grow more in His grace this year.
