

## Easter

Praise God for what He has done!!! **We had an incredible turnout for Easter with about 70 people attending! Two people raised their hands during the invitation to speak with someone about salvation!**

The whole church went crazy inviting people, but the kids brought in the most visitors! We did a special give away for the child that brought the most visitors. A brother and sister team won by bringing 9 of their friends! The second place winner brought 4 visitors as well! The church was so excited to see fruit for their labors!

## Freed from the Weight of Sin!

**A young university student prayed to accept Christ as His Savior!** This young man was struggling with the guilt and shame of his sins. As I began to explain the love of Jesus for him and that through Christ's sacrifice he could have forgiveness of sins, I could see his eyes tearing up. I asked him if he wanted to pray to receive God's gift of salvation. And there in our church that young man prayed to receive Christ!!! Hallelujah!!!

## New Student

The Japanese school year ends in March and starts in April. As such we had a new student join our Christian school in April. Our school currently teaches the Abeka curriculum in English which means the new students spend the first half of their first year studying English. My wife has been working each day with the new student to teach her English. Please pray for the school and the new student as we follow the Lord!

## Children's Ministry Growth

In our last letter I wrote to you of a young girl who stood firmly in her faith despite her mother's disappointment in her decision. That same girl is planning to get baptized in May. Orion and Journey are getting baptized too! As our children have been learning about baptism lately other children have shown an interest. Rebel has several girls in the kids ministry that seem close to believing in Jesus!
